To Whom It May Concern:

This letter is in recommendation for Ms. Claire Wohlfeil. Ms. Wohlfeil is a member of the Pinckney Community Schools orchestra program and my student since the fall of 2008. She is one of our most talented students and is consistently a leader for our organization. Her attendance at all events is without blemish and she often volunteers her spare time to help the program in other events.

As a musician Claire has participated in the MSBOA Solo & Ensemble festivals, studied privately outside of class and also tutors students in the middle school program. I know that in my class and other academic disciplines, she is an exceptional student striving to be the best and is a valuable asset to our program. I absolutely give her my highest recommendation in regards to her musicianship and as a valuable citizen in our orchestra and school. Please feel free to contact me if you have any further questions regarding Claire's qualifications.

Sincerely,

Jeffrey Campbell, Director
Pinckney Community Schools Orchestras
